KIDS' KAMP INTERNSHIP PROGRAM (13-17 year olds)

Students ages 13-17 are encouraged to apply for our Internship Program. Our Internship Program provides young people with real-life work experience and an opportunity to serve the community. Interns will receive intensive counselor training, assist teachers in classroom prep and interact more fully with our younger campers and CITs. Our intern positions are unpaid. Volunteer positions can fulfill requirements for students in need of service hours. Please contact camp director for an application.
